

PARIS -TOURIST RESIDENCE AND SHOPS

8 place Arnaud Tzanck, rue Emile Borel, 75017 PARIS

Description

Design and construction of a program to build a three-star hotel complex of 145 rooms, local shops, and parking in the basement. The project integrates specific acoustic studies related to the proximity of the Ring Road. This complex will be certified High Environmental Quality and will respect the Climate Plan of the City of Paris.
